POP HUGHES PROVERBS

He that puts his faith in a deceitful woman puts his neck in a noose.

She will tell such a lie it will surprise your mind, and mix a little truth just to make it shine.

It is more wiser to put the barrell of a loaded gun in your mouth than to put your trust in a deceitful woman.

The guy who said that money was the root of all evil, had never seen a woman.

Never give a woman a chance to explain because her lying tongue will prove her innocent.

Never pay any attention to a woman crying because she cries as easy as a hog grunts and she enjoys it just as much.

A 104 lb. woman is strong enough to break the friendship between two men weighing 250 lbs. each.

Samson slew thousands of Phillistines with the jaw bone or an ass, but after Delila finished with Samson he could not get off of his.

No one has ever read of a female angel so you don't have to guess where women go when they die.

The first female was called WOmAn and since she arrived man has had nothing but woe.

It is as much different between a woman and a lady as it is between day and night.

Adam was living the life of Riley in the Garden of Eden, until Eve arrived and caused him to get chased out.

A woman had King Nero playing a fiddle for her while Rome was burning down.

The best medicine for grief over a woman, is another woman.

A woman is nothing more than a disagreeable necessity.

Woman not man coined the phrase "weaker sex" just to use to her advantage.

David the Father King Solomon was a great king until a woman got him in trouble.

Men do not despise a thief if she steals to satisfy her soul

when she is hungry. But no man will have faith in a woman who double crosses her man to favor him.

Be wise son, what a woman does to some other man the same she will do to you.

A beautiful woman is the baited hook of the devil.

A bad woman can get a man in more trouble in one minute than he can get out of the rest of his life.

A man is not a coward when he walks away from trouble.

There is nothing in this world like a good woman; and there is nothing in this world like one that is no good.

If a woman is nice to her father and brother she will also be nice to her husband.

All women are meat off of the same bone; don't be to sure yours is different.

God made the world and he rested. He made the fowl and animals and he rested. He made man and he rested. He then made woman and since then nothing has rested.

Hell has no fury like a woman scorned.

A man's last will and testament should read thus.

I leave this woman \$1.00 to buy a rope to hang herself, or \$5.00 to buy enough poison for her to kill herself with. Some are so lousy it would take that much poison to kill them.

If a man wants to stay single all his life all he has to do is to look for a woman that is the angel his mother was.

If your enemy be hungry, give him bread to eat and if he be thirsty give him water to drink; for you will heap coals of fire upon his head, and the lord will reward you for helping him.

Look with pity upon the man that is down. Give him a smile for his sorrow, for this world being as it is, you may be down tomorrow.

Who so diggeth a pit for some one else, therein he shall fall.

Give strong drink to him that is ready to perish, and wine to those who that has a heavy heart. Let them drink and forget their poverty and remember their misery no more.

Every man is a friend to him that giveth gifts.

He that has pity on the poor leans on the Lord; and that he has given the poor will be paid to him many times.

Love not sleep, lest you come to poverty; open your eyes, and you shall be satisfied with bread.

A foolish son is a grief to his father, and bitterness to her that bare him.

The glory of young men is their strength; and the beauty of old men is the grey head.

He who stoppeth his ears to the cry of the poor, he also shall cry and himself shall not be heard.

MRS. POP HUGHES DEFENDS ALL WOMEN REGARDLESS OF WHAT POP SAYS

Practice makes perfect, so if man was made before woman that is proof enough that woman is better.

Any bad woman you find you will also find that it was a man that made her so.

Another proof that woman is better than man is that every child loves its mother but you can find plenty of children that hates their father.

Pop says that Eve got Adam chased out of Eden but remember girls that if Adam had been a gentleman it could not have happened.

If Samson had not been trying to jive Delila he would not have lost his wig. Delila was just taking care of herself as any chick has a right to do.

Pop says that King Nero was playing a fiddle for a woman while Rome was burning, if he was, it was not because he liked music. It was the wolf in him, he just wanted to see the doll shake while she danced.

Maybe we women have not read of a Female Angel, but we have read of the Devil and he is a man with forked feet and a long tail.

I agree that a bad woman can get a man in trouble, but only a bad woman. Men, good or bad, gets girls in trouble.

Woman was called Woman because with man to live with, she could have nothing but woe.

Pop says that a 104 lb. woman is strong enough to break the friendship between two men weighing 250 lbs. each. If that is so it is not her fault, if man is the type of thing that we call dog eat dog.

Pop Hughes is a guy that has 18 children of which 15 are girls, 21 Grandchildren of which 20 are girls, so if what he says about women is true, he would have a terrible curse on him and it would serve the hound right.

I, as Mrs. Pop Hughes, does not care whether he likes us women or not. I walk easy and I carry a big stick and if he don't act right it will be shame on him. Don't you women think that I let him get away with those things he writes about us women, because I chases him out of the house with his own service revolver.

Men are such dogs, they pet us and lie to us until they get us. Then they stay out all night trying to do the same to some poor other girl. So it serves the hounds right if we do them dirt by turning to some other no good guy for love.

When some wolf starts to tell you about all the nice things that he is going to buy you, you buy first, but buy poison for him, for he is a lie and the truth ain't in him.

Pop says that all women are meat off the same bone, that what a woman does to one man she will do to another, why not, for a Rose with

any other name would smell just as sweet and a man rich or poor will do her the same dirty tricks.

Take Mrs. Pop's advice girls, get while the getting is good, never give a man any kind of a break, the hounds don't deserve it. When you rob his pockets take it all and throw the wallet in the street, then he will think he lost it outside.

Don't make yourself look old by slaving and helping him to get up in the world because after he is up, he will drop you like a hot potato, for some cute young thing that will enjoy the fruits of your labor.

If you have only three dollars in the house, don't buy food with it, go to the hair dresser, for a pretty head makes a pretty face, then if the hound dog don't want you at least you will look good to some other guy.

Remember girls, lace, ruffles and silk unmentionables with a well groomed head are your best weapons, use them like an atomic bomb to your advantage.

Make love a business with your man, dollars and cents is what counts, let him run around with any doll that he wants to so long as you get yours.

You know dearie you can't buy fine dresses, shoes, hats and furs with his love, but you can with his dollars.

Take Mrs. Pop Hughes advice, and make this your motto, "Don't bring me no posies and love, for money is what I need".

Girls watch out for the guy with a car, for 99% of them are pimps, and you will have to degrade yourself to get the money to pay the notes on it.

Remember girls, when the louse tries to send you in the street to look for money for him, the same he will spend on some other doll that he loves more than he does you, and she will enjoy the fruits of your labor while you are taking a chance of going to jail.

No man loves a woman if he throws her to the wolves just to get money for him, remember that girls.

Put your money and his too, in the bank in your own name, if you can, then if you go to jail or get sick, he can't be spending it on some other chick.

If the rat sends you out to do something that he would not want his sister to do, go out, but straight to the police. They will be glad to know all about it, if you accuse him.

If he starts to hit or abuse you don't keep your mouth shut, scream as loud as you can, if the police don't hear you some other real man will and it will be shame on his - - - - - ?

Pop and the rest of the men will blow their wig when they read this but I don't give a - - - - - ? for I am a woman myself and I have just as much right to defend the women as he has to write about us.

I AM NOT YOURS TRULY,

MRS. POP HUGHES

"La Señora Pop Hughes Defiende Todas Las Mujeres, No Importa Lo Que Diga De Ellas, Pop"

Practica, hace perfección, si el hombre fue hecho antes que la mujer, eso prueba que la mujer es mejor.

Toda mujer mala que tu encuentres, la responsabilidad es de un hombre.

Otra prueba de que una mujer es mejor que un hombre esta: Todo niño ama a su madre, en cambio hay muchos que odián a su padre.

Pop dice que Eva fue la culpable de que votarán a Adam del Eden, si este hubiera sido un caballero esto no hubiera sucedido.

Si Samson no hubiera tratado de fuliar a Dalila, no hubiera perdido su peluca, pues solo ella trato de defenderse como lo hubiera hecho cualquier otra tipa.

Pop dice que Nero estaba tocando una guitarra cuando roma ardía en llamas, no era porque le gustaba la musica, era lo listo que era el, Y solo quiera ver la muñeca moverse mientras bailaba.

Puede ser que nosotros las mujeres no hallamos leído de un angel mujer, pero si hemos leído de un diablo que es un hombre, con ponzonas y un rabo largo.

Yo estoy de acuerdo que una mujer puede poner a un hombre en trouble, peromes si la mujer es mala, en cambio los hombres buenos o malos meten a una mujer en dificultades.

Cuando un oso de esto, empieze a contarte las cosas que va a comprarte, ve tu primero y comprale un pote de veneno, y te convencerás que te engana porque su gran pecado es de ser tramposo, y embustero.

Pop es un tipo que tiene 18 Hijos, de los cuales 15 son Hijas, 21 nietos y 20 son nietas, si lo que el dice de las mujeres es cierto el mismo tendra un castigo en su futuro.

Yo, Mrs. Pop Hughes, no importa si el le gusta nosotras las mujeres o no, yo camino despacio con un bate, bien grande, y si el no se porta bien, pobre de el. No piensen Uds. mujeres que yo le soporto lo que habla de nosotras, porque yo misma lo corri de la casa con su propio revolver de reglamento.

Los hombres son unos perros nos mimán hasta que nos tienen, luego se quedan con otra afuera, tratando de enganarla, entonces no deben de extranarles que juguemos sucio con otro hombre que no sea bueno, por amor.

Pop dice que todas las mujeres somos carne del mismo hueso, que lo que una le hace a uno se lo hara a otro, porque entonces una Rosa con cualquier otro nombre, huele tan dulce, y un hombre rico o pobre le hara la misma maldad a una mujer.

No te pongas vieja ni te esclavizes tratando de poner a un hombre en sus pies, cuando el lo logre, te tirara como una papa caliente, por otra que gozara el fruto de tu labor.

Si tu tienes solamente \$3.00 no compres comida con ellos, vete a la peluqueria, porque un buen peinado cambiará tu cara y si por tal razón este no te quiere, por lo menos le gustaras a otro.

Recuerden muchachas que la seda, los encajes, los bonbuchos de tus panties, con un buen peinado, son las mejores armas que tu tienes para defenderte, usala como una bomba atomica para tu defensa.

Haz que el amor sea un negocio con tu hombre. Dolares y centavos es lo que cuenta. Dejalo que corra con cualquier otro pollo, que el quiera, siempre y cuando que tu recibas lo tuyo.

Tu sabes querida que tu no puedes comprar buenos vestidos, zapatos, sombreros, y pieles con su amor, pero si con sus pesos.

Cojan el consejo de Mrs. Pop Hughes como un lema . . . "No me traigas flores ni amor, dinero es lo que yo necesito".

Si ninguno de sus tipos les gusta esto, lo siento por ellos, pues yo estoy en el deber de defender las mujeres, porque soy una de ellas, igual que Pop de hablar de nosotras.

Muchachas ten cuidado del tipo que tenga carro porque el 99 por ciento de ellos son chulos y tendras que hacer algo malo para pagarlo nota de su carro.

Recuerdo que cuando tu buscas los pesos para el, eso mismo gastora el con otra tipo que quiera mas que a ti, mientras tu estas en la quinta violardo las leyes para el.

Muchachas cuidesen de los tipos que lo que quieren es hacerlas a Uds. usar narcoticos por que la quinta y carcel es solamente un paso.

Ningun hombre quiere a una mujer si la tira en la boca de un lobo solo para cogerle pesos para el.

Pon el dinero tuyo y el de el en el banco en el nombre tuyo, asi si Ud. Se enferma o va a la carcel entonces el no puede correr con otra tipa y gozar del fruto de tu labor.

Si el empieza a abusar de ti no te quedes callada, grita lo mas duro que puedas, si el policia no te oye habran hombres de vervad que te oigan y probe de el.

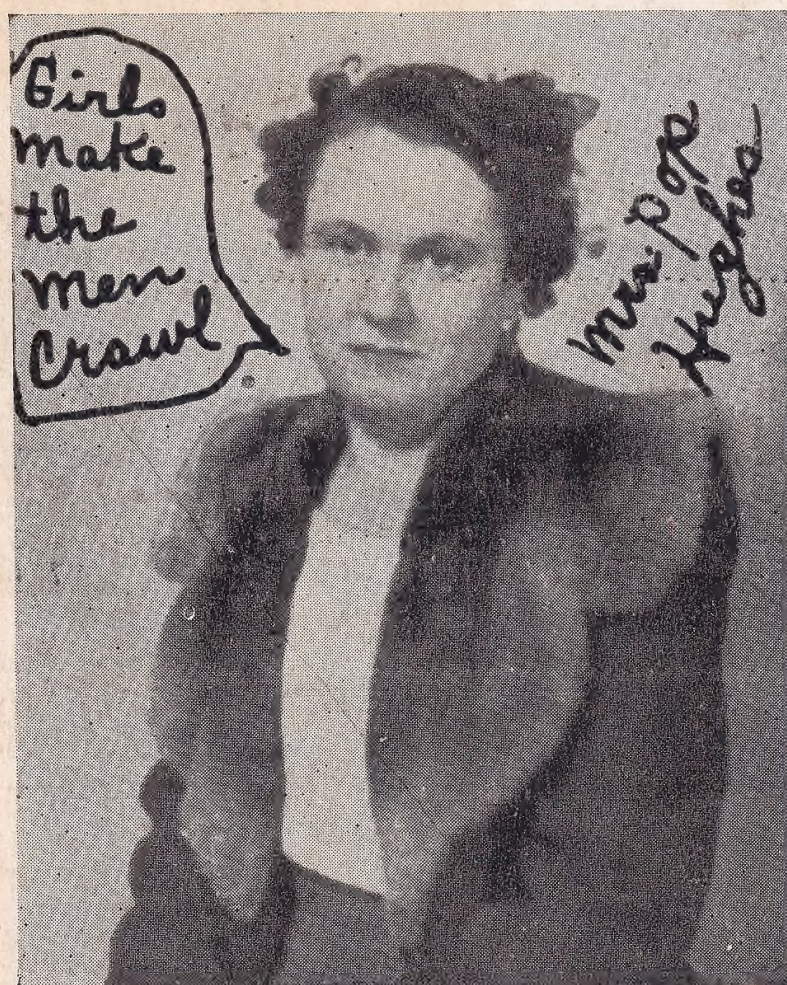

Si ese raton te manda afuera a hacer algo que no quiere que su hermana haga, vete afuera pero directamente a la policia. Ellos estaran contentos para saber si ud. Lo acusa a el.

NO SOY SUYA ATENTAMENTE,
